Instructions

Your Academic Advisor is listed below. Your Academic Advisor facilitates student success by creating an on-going partnership with you. Your advisor can assist with degree options and requirements, campus resources, semester schedules, registration holds, career readiness, and much more.

See your advisor's availability for in-person and/or virtual appointment options under their contact information. Select an available appointment date to see open timeslots. Once you select a date and time, you will be prompted to complete registration. In addition to your primary academic advisor, you can connect with other advisors [here](#) who can assist you with your academic career at OSU.

OSU Advisors are currently transitioning to the new system and their availability will be posted as it is available. If you do not see any availability for your advisor, please contact them for scheduling options.

Once you are in the training, you will find a list of your assignments that need to be completed. Click into your assigned training by pressing "Start".

My Assignments

Listed below are the courses assigned to you by your administrator. Additionally, you can track your progress towards completing each assignment.

Click "Start" to begin.

0% Mandatory Training

Information about Module 13: Cybersecurity Overview for Students

There are 3 sections within Module 13.

1. Introduction – 1 minute
2. Tutorial – 10 minutes
3. Final Assessment – 2 minutes

The screenshot shows a course interface for "Cybersecurity Overview for Students". At the top, there is a blue header with the course title and a "Full Course" label. Below this, a play button icon is visible with the text "START COURSE". A short introductory text reads: "The convenience of web access makes it easy to forget that we need to protect and care for our information." A "Read More" link is also present.

The main content area is divided into two columns. The left column, titled "Course Sections", shows a progress indicator of "0 / 3 COMPLETE" and a list of three sections: "Introduction" (About 1 Minute, Required), "Tutorial" (About 10 Minutes, Required), and "Final Assessment" (About 2 Minutes, 80% required to pass, Required). The right column, titled "Course Requirements", shows an "Assessment Requirement" of 80%. Below this, the "Course Details" section indicates a "Total Course Duration" of 15 Minutes.

At the end of the Cybersecurity course, you will complete a Final Assessment on the content. You must earn at least an 80% on the Final Assessment.

After completing the final assessment, click the “back” button to **return to the main training page**.

Completing the Training

Complete the Final Assessment question.

The Table of Contents, at the top, needs to show “16/16 Complete.”

The screenshot shows a "Table Of Contents" header. To the right of the header, it displays "0 / 16 Complete". Below the header, there is a row of 16 empty circles, representing the progress of the 16 items in the table of contents.
