How do I access Closed Caption on the videos?
In the bottom left of the video screen, you can turn on/off closed captioning in four different languages.

What is a passing score?
You are required to earn at least an 80% on the program posttests.

When will the hold be removed?
Once you have completed and passed with at least 80%, the hold will be automatically removed within one business day.

I am not sure I completed my training. What do I do?
If you are unsure if you have completed your training, you can check to see if you have a registration hold. For a quick snapshot of all holds placed on your account, login to Self Service (via the my.okstate.edu portal) and select **Student Profile**, then click on **Holds** in the upper right corner. If you have active holds, you will see a summary of active holds. If 1is2many Training appears, you have not completed the training.

What does my hold look like?

The website is not working on my computer. What do I do?
The 1 is 2 Many Training requires a recent internet browser such as Internet Explorer version 8 or newer, Mozilla Firefox version 25 or newer, Google Chrome version 30 or newer, Apple Safari version 6 or newer. The program also requires Adobe Flash version 10 or newer, a high speed internet connection (DSL, cable, FiOS, etc.). The program is not supported by smart phones or tablets. Computer labs available across campus can be utilized to complete the training.

Additional Questions?
